RIDING ON... SHARED PATHS

SHARED PATHS

Are for the use of both pedestrians and bike riders. They are designated by images of a pedestrian and a bike on the pavement or on a street sign.

On a shared path:

- Pedestrians **always** have right of way.
- Slow down and ring your bell early to warn of your approach.
- Ride in a safe and courteous manner.
- Smile, wave or say 'thank you' as you pass.

NEW SHARED PATH MARKINGS

We are currently rolling out new blue on-the-ground line-markings to more clearly designate shared path areas and reinforce pedestrian priority.
